Flexible/Adaptable
Work Under Pressure

ACHIEVEMENTS

Black Belt in Tae Kwon Do

Following 6 years of dedication to the sport achieved black belt status.

Duke of Edinburgh Award

Achieved at Dormston Secondary School while sitting GCSEs.

EXPERIENCE

Assembler (Seasonal Job)

A F Blakemore & Son Ltd / Bilston / 05/2020 – 09/2021

During summer academic break, obtained a temporary seasonal role at a food supplier in their warehouse. A fast-paced environment to contribute; daily performance metrics to achieve to support the team.

- Participated in stock checks to ensure appropriate stock levels were maintained
- Completed customer orders swiftly exceeding performance targets
- Met health and safety compliance rules as wrapping orders so they could be delivered safely
- Maintained the warehouse and ensuring it was spotless
- As problems were identified contributed to supporting the team as needed

Team Member (Seasonal Job)

McDonalds / Wolverhampton / 08/17 – 07/18

Worked in a temporary seasonal role in a high pressure, fast-paced environment at a top performing McDonald franchise in city center. Quickly became a dependable team member and motivated others on each shift.

- Ran several workstations efficiently while being in sync with the team to deliver customers' orders
- Performed front-end customer service support including problem resolution
- Assisted with stock checks to ensure sufficient for customer's needs
- Stocked items within a chilled environment

Assistant

DPD / Birmingham / 07/17 – 07/17

Two weeks of work experience rotating departments offering support for eCommerce, Customer Service, Sales, Mechanical, and Human Resources.

Customer Service Assistant

Barras Chippy / Coventry / 09/16 – 06/17

Supported the family business with counter support for a busy fish and chip shop. Responsibilities included taking orders, handling payments, and completing orders ensuring customer satisfaction.
